

The WESTERN THISTLES

Stage Plot

The WESTERN THISTLES

Input List

Number	Instrument	Input	Output
1, 3	Openback banjo	SM57 on boom stand	XLR
2, 5	Acoustic guitar	DI from LR Baggs Venue pre-amp	XLR
4	Vocal mic	Ear Trumpet Labs Delphina (condenser microphone) on boom stand - <i>mic provided by performers</i>	XLR

Notes:

- We require +24V to +48V phantom power for our condenser microphone
- No monitors required (Monitors must be turned off to avoid feedback from condenser microphone)
